

CERTIFICATE OF REGISTRATION

Information Security Management System
ISO/IEC 27001:2022

Black Duck Software Inc.

A-LIGN Compliance and Security, Inc. certifies that the organization operates an Information Security Management System that conforms to the requirements of ISO/IEC 27001:2022 and ISO/IEC 27017:2015. The scope and boundaries of the ISMS is as follows:

The certificate scope comprises the Information Security Management System underlying the Black Duck Software Inc. Information Technology (IT) and Cloud Operations processes that collect, process and store confidential customer information supporting the Polaris, Black Duck Software Composition Analysis, and Continuous Dynamic. The SIG organizational scope includes the Info & Product Security Group, Cloud Operations, and IT affecting the ISMS. The implemented controls govern these activities consistent with the organizational Statement of Applicability, further extending to the additional objectives defined within ISO/IEC 27017:2015.

The statement of applicability additionally includes control objectives from the ISO/IEC 27001:2022 and ISO/IEC 27017:2015 frameworks.
